LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for July 17, 2024.

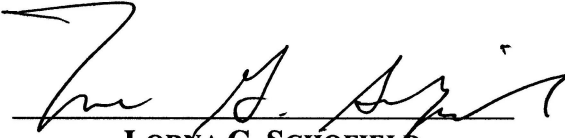

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan. It is hereby

ORDERED that the July 17, 2024, initial pretrial conference is **CANCELLED**. If the parties believe that a conference would nevertheless be useful, they should inform the court immediately so the conference can be reinstated. The case management plan and scheduling order will issue separately. The parties' attention is directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. It is further

ORDERED that Defendant's request to stay discovery pending an anticipated motion is **DENIED** without prejudice. If the Defendant seeks to file a motion to dismiss or to compel arbitration, it shall file a pre-motion letter pursuant to Individual Rules III.A.1 and III.C.2 and may renew its request to stay discovery at that point. It is further

ORDERED, regarding settlement discussions, if and when the parties are ready to proceed with a settlement conference with the assigned Magistrate Judge or mediation in the Court's mediation program, they shall file a joint letter on ECF requesting a referral. The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
